Combined  
Application for  
College &  
Higher  
Education

The Bering Straits Foundation (BSF), Norton Sound Economic Development Corporation (NSEDC), Kawerak, Inc., Norton Sound Health Corporation (NSHC) and Sitnasuak Foundation have joined together to create one application for students applying for scholarships from any of the five (5) organizations. The purpose is to make the process efficient and easier for students.

## How is the cooperative application process efficient and easier for students?

These organizations require much of the same information. Pages 3-5 of the application meet the needs of all organizations. When pages 3-5 are complete, please submit them to **each** of the organization(s) to whom you are applying, along with each organization's required documents. Pages 7-14 provide specific guidelines and requirements for each organization's scholarship program.

## How do I complete the CACHE?

It's easy as 1, 2, 3!

- 1** Read the **CACHE** completely to determine which scholarship(s) you are eligible for and to learn the requirements for each one.
- 2** After determining eligibility, fill out pages 3-5, include the required documents for each organization, and fill out page 8 for BSF, page 9 for NSEDC and page 14 for Sitnasuak Foundation.
- 3** BSF, NSEDC, Kawerak, NSHC, and Sitnasuak Foundation each have separate scholarship programs. Find the fax number or mailing address of each agency for which you are eligible to apply. It is your responsibility to apply to each organization. Contact information for each scholarship program is available on pages 7-14 of the CACHE.

**Where do I go for help while at school?** Most schools have a guidance counselor or an advisor.

**What are official transcripts?** Official transcripts are the academic records from a high school, college or vocational training school that you have attended. Official transcripts are to be sent from the school to the appropriate CACHE organization(s). Some schools will give the official transcripts to the student in a sealed envelope and then the student needs to give them to the appropriate CACHE organization(s).

College and vocational training transcripts are generally requested from the Registrar's or Admission's Office. Most schools charge a small fee for official transcripts.

**What if I change my area of study, etc.?** If a student changes their area of study, credit load, schools, etc. it is the student's responsibility to inform the appropriate CACHE organization(s) and the organization will inform the student if the funding is jeopardized or if additional documentation will be required.
