Job Vacancy Notice

Injury Prevention Coordinator, Injury Prevention

PURPOSE OF POSITION:

To manage, plan, develop and coordinate the Injury Prevention activities for the Norton Sound region. These activities include, but are not limited to, completing a variety of observational surveys, installing smoke alarms, maintaining the Kids Don't Float program, selling safety merchandise and presenting numerous safety education programs. The IPC works closely with village-based Injury Prevention Representatives.

EDUCATION AND EXPERIENCE:

A high school diploma or equivalent is required. Bachelor degree from an accredited college or University is preferred. Three years of demonstrated work experience in a busy office setting required. Experience in the human service field is preferred.

For an application, detailed job description or more information, please contact:
