CONTACTING BEHAVIORAL HEALTH SERVICES

Behavioral Health Services is here to support you. Whether you seek long-term services, need a brief consultation about what we offer, or have a crisis you would like us to assist you with, we have several ways you can reach us:

1. Urgent Care is available Monday through Friday from 8:00 a.m. to 5:00 p.m. from emergency needs. Call 443-3344 for support.
2. After hours advice and support is available after 5:00 p.m. on weekdays and all hours on Saturday and Sunday for emergency needs. Call the Nurse Triage line at 443-6411 or 844-586-8773 and ask for Behavioral Health Services.
3. A Behavioral Health Consultant is available in the Primary Care Clinic during your appointments Monday from 1:00 p.m. to 5:00 p.m., Tuesday through Friday from 8:30 a.m. to 5:00 p.m.
4. In village communities, a village-based Behavioral Health Aide is available to assist you in learning more about counseling services. These Behavioral Health Services staff can be reached by contacting Behavioral Health Services at 443-3344 or through your village health clinic.

For outside support, talk with **Alaska's Careline. Calls are caring, confidential and free, 24 hours a day, 7 days a week.
