- The unvaccinated travelers quarantine for 7 days and test on day zero and seven.
- The fully vaccinated travelers test on day zero and seven but do not need to quarantine.
- The quarantine ends once there is documentation of a negative test result.

All travelers will be met at the Brevig Mission Airport by the COVID Mitigators who will document and confirm their date of entry, their vaccination status, and their quarantine duration.

All individuals are now required to use a cloth face covering in all public places.

Residents are encouraged to maintain social distancing of at least 6 feet apart in public buildings, as well as to use hand sanitizer, and/or wash their hands upon entering or leaving public places.
