SOLID WASTE ADMINISTRATION WORKSHOP

June 27th-30th 2023

If you have questions, please contact:
Alicia Reitz 434-1659
Racheal Lee 443-3294
oeh-all@nshcorp.org

Details:
In partnership with Alaska Department of Environmental Conservation Solid Waste Program, we are offering this training to focus on unique needs related to solid waste administration & management. Topics covered will include landfill management, budgeting, safety, permitting, and more! Registration closes 5PM June 14.

To register, scan the QR code with your phone camera and fill out the form.

NSHC SWM activities have been made possible by USDA-RD. USDA is an equal provider, employer, and lender.
