

# NSHC-OEH SOLID WASTE MANAGEMENT VIRTUAL TRAINING SERIES

Short trainings with bite-sized information, targeted to help address current Solid Waste Management issues in the Bering Strait region.

## **APRIL 4, 2022 11-11:45AM**

**Topic:** Kawerak's Backhaul Program

**Presenter:** Vanessa Tahbone

Summer Kickoff Presentation! This will be an overview of Kawerak's amazing backhaul program and how to get ready for the coming season.

## **MAY 2, 2022 11-11:45AM**

**Topic:** Landfill Operations Plan Overview

**Presenter:** Racheal Lee

This presentation will review components of a Landfill Operations Plan and the impact it can have on your landfill and public health.

## **JUNE 6, 2022 11-11:45AM**

**Topic:** All About Landfill Leachate

**Presenter:** Trisha Bower, ADEC-Solid Waste Program

What is landfill leachate and how can it affect public health? This presentation will discuss risks leachate poses and how to best manage it in rural Alaska.
