**UPDATED GUIDELINES**  
**October 11, 2021- UNTIL FURTHER NOTICE**

To prevent or slow the spread of Coronavirus Disease 2019 (COVID-19), The City of Shishmaref has established the following guidelines for our residents. These guidelines were recommended by the City of Shishmaref, Native Village of Shishmaref, and Shishmaref Native Corporation.

**Travel may be permitted upon approval by the City of Shishmaref for the following: individuals with family ties to the community, essential workers: including but not limited to: health care workers, teachers, people who work directly for the public. Inter Village travel will NOT be permitted at this time.**

**Residents and non-residents, vaccinated or not, coming into the community from within and out of State, is required to test on the 1<sup>st</sup>, 7<sup>th</sup> and 14<sup>th</sup> day upon arrival and show proof of a negative COVID test result.**

**Bering Air is requiring proof of vaccination card before flying and unvaccinated passengers will still be required to show proof of a negative test result.**

**Non-vaccinated individuals need to get tested on the 1<sup>st</sup>, 7<sup>th</sup>, and 14<sup>th</sup> day and quarantine for 7 days. Vaccinated individuals don't need to quarantine but test upon arrival and on the 7<sup>th</sup> and 14<sup>th</sup> day. Individuals may quarantine at their own residence.**

**-NSHC still requires its employees to test after traveling on day 7 of arrival and day 14 after their return. This is being done as a precautionary measure and will eventually be dropped once enough of Shishmaref is vaccinated.**

**Mask is RECOMMENDED in public places.**

BSSD will follow their safety guidelines to ensure the school is properly sanitized.

Residents that have symptoms of cough and fever of 100.4 or higher must call the Shishmaref Clinic to make an appointment to be seen.

If you have questions or need additional information please contact the City Office 649-3781.

We are asking that all residents comply with these guidelines to protect the health and safety of our community. We will continue to provide updates as necessary.
